COMMISSIONER OF CONSERVATION
HONORABLE FELIX J. BOUDREAUX
617 NORTH THIRD STREET
BATON ROUGE LA 70802

**RE LOWER BOL MEX ZONE, RESERVOIR A
JUDICE FIELD
LAFAYETTE PARISH, LA**

Dear Commissioner Boudreaux,

Application is hereby made on behalf of Summit Energy to the Commissioner of Conservation for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating to the Lower Bol Mex Zone, Reservoir A, in the Judice Field, Lafayette Parish, Louisiana.

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Lower Bol Mex Zone, Reservoir A, in the Judice Field, Lafayette Parish, Louisiana, said unit to be designated Lower Bol Mex RA SUA, as shown on the plat attached hereto made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate a unit operator and a unit well for the unit so created.
4. To provide that any wells drilled to the Lower Bol Mex Zone, Reservoir A, shall be located in accordance with the spacing provisions of Statewide Order No. 29-E.
5. To provide that the Commissioner may reclassify the reservoirs by Supplemental Orders without the necessity of a public hearing should such reclassification be warranted, based on evidence furnished by the Commissioner.

6. To discuss any other matters that may be pertinent to this application.

The Lower Bol Mex Zone, in the Judice Field, is hereby defined that gas and condensate bearing sands encountered between the depths of 18000' and 19460' electric log measured depths in the J. P. Owens, Andre Stutes etal No. 1 well, located in Section 13, Township 10 South, Range 3 East, Lafayette Parish, Louisiana.

The pre-application conference was held as scheduled on May 13, 2002. The conference was opened by David Sturlese, who discussed the basis for the applicant's unit. There were several questions asked but no counter plans were presented. It is expected that there will be no opposition at the hearing.

All pertinent data relating to the subject application can be obtained **AT THE COST OF THE REQUESTING PARTY**, from David Sturlese, P. O. Box 51405, Lafayette, LA 70505, (337) 232-1700.

There are attached hereto and made a part hereof, plats outlining the proposed unit. Pursuant to the Revised Rules of Procedure, a list of the names and addresses of the Interested Owners, Interested Parties and Represented Parties to whom this application is being sent is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy. A diligent effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties as required by the Revised Rules of Procedure. Also enclosed is our check made payable to the Office of Conservation, representing the required hearing application fee.

Sincerely,

DAVID B. STURLESE
